Dear Friends of Broad Run High School,

The Broad Run High School Parent---Teacher---Student Organization (BRHS PTSO) is looking to partner with area businesses (local and surrounding area) to further improve the lives of our students, teachers, and community. Broad Run High School is in Ashburn, Virginia, opened in 1969. Our school community consists of over 1,700 students, approximately 160 staff members, as well as thousands of parents and community members. Of the four high schools located in Ashburn, it has the most culturally diverse student population. The BRHS PTSO is a 501(c)(3) organization.

The BRHS PTSO will continue to support other programs and events not funded in the yearly Loudoun County Public Schools budget to enrich the education and school life of the students throughout the year such as the Special Needs Field Day, Academic Awards Night, Project Graduation, National Honor Society and Language Honor Society Inductions, multiple Teacher Appreciation events and more. The BRHS PTSO also awards up to ten \$500 scholarships in the spring to graduating seniors.

We hope that you will consider becoming a Business Partner with the BRHS PTSO to help us continue supporting other programs and events that are beneficial to the students and teachers at Broad Run High School.

We offer three levels of partnerships: Gold (\$1000), Maroon (\$500), White (\$250). Please see the attached Business Partnership Form for the benefits for each level. Imagine how much more we can provide for the BRHS students and teachers with your support!

We are excited about having businesses play an increased role ensuring BRHS continues to be a true school of excellence. If you have questions or an interest in discussing a partnership, please contact me at brhsptso20147@gmail.com.

Sincerely,

Lakshmi Sunkara

BRHS PTSO, President
